

AMBITION AND ENTERPRISE – Upper School Topic (Spring Term 2018)

By learning from the changes in workforces over the centuries, the children will realise the need for ambition, to secure future employment. Industrial changes and the impact on lives will be studied in depth; including the development of industry in Barrow. The children will begin to plan their future in education, to challenge and motivate them to inform them of employment opportunities.

Science – Body Pump: the heart and circulatory system. Body Health: how to keep bodies healthy.

History – World War 2: the outbreak of war, evacuation, rationing and the Barrow Blitz

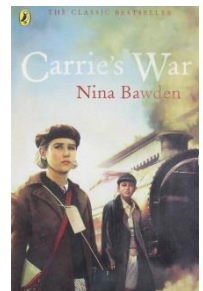

Geography - Development of Barrow and changing land use over time

Art – Evelyn Dunbar

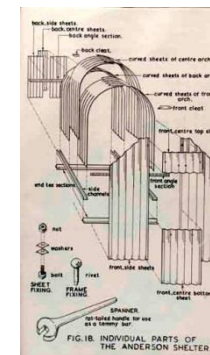

Design and Technology – Designing and building Air Raid Shelters

RE – What does it mean to be Muslim in British Society Today? How is the resurrection portrayed as central to Christian Beliefs

French – My School and me

Computing – We are developers – creating a game

Power of Reading – Carrie's War by Nina Bawden

PE – Net and Wall games, Outdoor Adventurous Activities, Dance and Gymnastics

Music – Following the Charanga Music Programme
