**SJS COMMUNITY DAY
FRIDAY 13TH OCTOBER 2017**

On Friday 13th October we are going to hold a Community Day, a day focused on our three main words in school which are CARE, SHARE AND RESPECT.

This is very much part of our PSHE and Citizenship curriculum programme.

During the morning we are going to have a Coffee Morning, an event to bring the whole community together with refreshments on sale and entertainment provided by the children. If you would like to donate cakes please send them into school on Friday morning.

In the afternoon each class is going to choose an activity which is appropriate to their age and go out into the community and do what SJS pupils do very well:

- **Care for the school and community**
- **Share their talents and skills with the community**
- **Respect and help people within the community**

Community Activities

Year 6 have been invited to Furness College for a Taster Day and so will not be in school.
